Create your own kind of beauty!

The diagram shows a large, complex shape representing a coat pattern piece. It has a semi-circular top, a vertical left side, a diagonal bottom-left side, and a short vertical right side. A diagonal line extends from the bottom-left corner towards the bottom-right. Three small triangles are placed around the main shape: one at the top center, one on the left side, and one on the right side. A fourth triangle is at the bottom center, partially overlapping a floral illustration. The text is centered within the main shape.
